

THE ROYAL CHESHIRE COUNTY SHOW

2025

Sponsorship Pack

Given the tremendous success of The Royal Cheshire County Show and the large audience that it attracts from within the County and beyond, the Show is seen to be an attractive sponsorship opportunity which can deliver high-quality PR benefits and demonstrate the sponsor's commitment to Corporate Social Responsibility.

Sponsorship is also a great way to highlight and enhance your brand to the thousands of visitors attending this prestigious event. This can be done through banner placement and appropriate PA system announcements.

Packages range from sponsoring complete sections of the Show e.g. Food Village, Main Ring, and Game Fair etc, to Class sponsorship within the many sections of the Show.

We are happy to tailor packages to your specific needs and budget.

I do hope you will find the enclosed of interest as a guide to how you can become involved with The Royal Cheshire County Show.

"We enjoyed every minute of the 2022 Show and it was fantastic to be back. Mangoletsi have displayed our beautiful new car ranges at the shows for many years and this was one of the best!

The weather was fabulous and we welcomed many, many visitors to the Mangoletsi Village over the course of the two days. We were also very proud to announce our long term sponsorship of the Mangoletsi Main Ring and we are very much looking forward to the 2023 Show"

Jenny Bell

Operations Director, Mangoletsi
